QUESTIONS

Dear Students,

we would like to welcome you to the Department of Computer Science of TUK and invite you to our welcome event on April 11 and April 12 afternoon. You will meet several colleagues from the department informing you about relevant subjects regarding your studies at TUK. Core part is an overview presentation on Friday in which Prof. Gotzhein will provide you with information about the study programs, first steps for planning your studies, and other useful information.

The event is also a great opportunity for you to meet other students and to ask all the questions you might have about the program.
